BIG STORY

DEDICATION

This dedication is to one, who has been an inspiration, a guide, a counselor, and a friend to each one of us. She has given unstintingly of herself to help us through our difficulties. She has led us forward with her level and clear thinking. This person has developed within us a strong sense of security, as she guided us, for the past five years, through our trials and tribulations. She is one whom we all love and respect. We will always regard her with reverence, and remember her as our guiding light. Her strength of character, her fairness, her sincerity of thought and action have encouraged us to become fine and upright students. We the Seniors of 1954, dedicate this yearbook to Miss Ethel Gildersleeve, for her countless efforts on our behalf.

WE PRESENTED

MISS GILDERSLEEVE not only serves as a friendly and willing counselor to all the girls in Newport High, but also as a capable student council advisor in our student government activities

NEWPORT HIGH is widely known for its well disciplined student body, its fine spirit of sportsmanship, and its excellent scholastic standing. This is the reflection of our capable principal, Mr. George J. McIntosh

OURSELVES

AS ASSISTANT PRINCIPAL, Mr. Keesee helps to schedule students' classes. He handles disciplinary and administrative problems, as well as personal problems. His jovial attitude adds much to the spirit of the high school.

TO THE

DR. NELSON is the co-ordinator of the entire Newport News school system. His job includes securing teachers and educational materials, and supervising the administration of the school system. Next year he will have the additional task of planning the rebuilding of the high school

THE P. T. A. WITH MRS. J. W. CARNEY as president, is working continually to help bring about better relations between school and home. Their main objective this year is trying to secure higher salaries for our teachers

WE ARE GRATEFUL to have an interested school board to supervise our needs. They serve unselfishly to improve our school

THE SCHOOL BOARD: Dr. R. O. Nelson, Mr. Philip Murray, Dr. C. W. Scott, Dr. H. A. Longaker, Mr. H. W. Chondler, Mrs. George R. Dabney, Mrs. John E. Kritzer, Mr. S. D. Greene, Dr. R. O. Nelson.

FACULTY

Mrs. Ann Perkins Scruggs has served this community faithfully and excellently through her years of teaching in our high school.

Head of the English Department, she has been a model to both teachers and students in her ingenuity in organizing and presenting subject matter and in directing groups

Independent in thought and convincing in speech, she has demonstrated the importance of self-reliance. Moreover, because of her sympathetic understanding of her students, she has encouraged many a one to struggle through his difficulty and overcome his problem

Happy years to come, Mrs. Scruggs!

THEIR AID

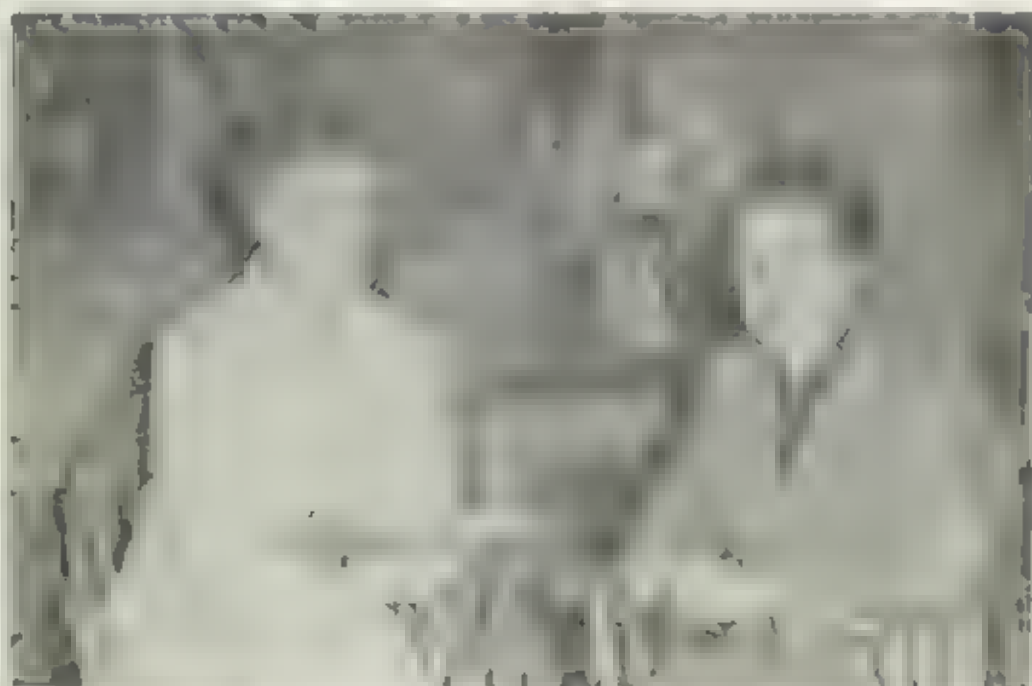

IN OUR GUIDANCE department, under Miss Mildred Kelly, we can find help on various problems ranging from choice of colleges and suitable vocations to selecting the necessary subjects for our high school curriculum

MADE US ANXIOUS

OUR SECRETARIES, Mrs. Miller, Mrs. Flegg, and Mrs. Bowen, are kept busy with many different jobs each day. A few of these are typing, correspondence, and mimeographing. They also find time to aid students in school business matters.

UNDER THE SUPERVISION of Miss Saunders and Miss Garland, we have a well organized library to supply our literary needs. Our adequate selection of books affords much pleasure as well as knowledge to the high school students.

SCHOOL LIFE

OUR FIRST GLIMPSE . . .

NEW YEAR—NEW FACES. This is the first pep assembly for the year '53-'54. To each eighth grader entering, many new excited faces reflect their own

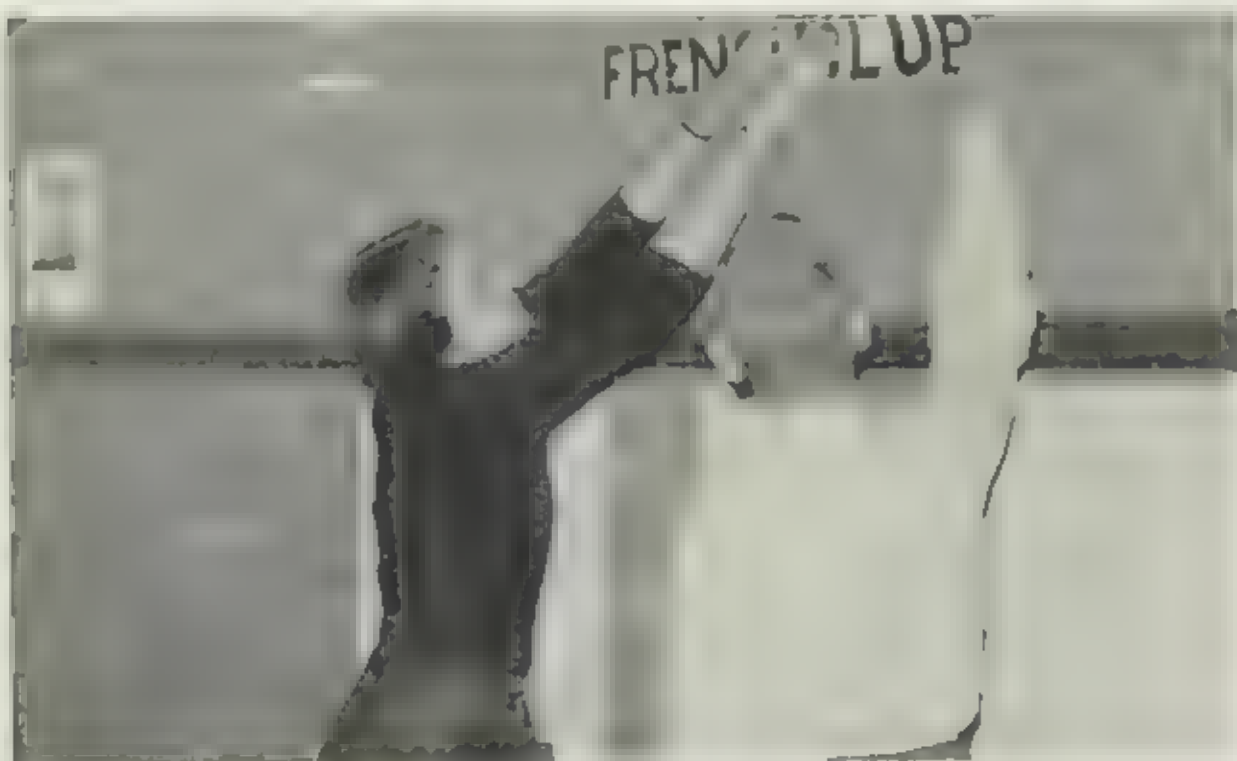

AS RALPH RABINOWITZ hands out the colors to the incoming mice, he congratulates them as "full-fledged mice."

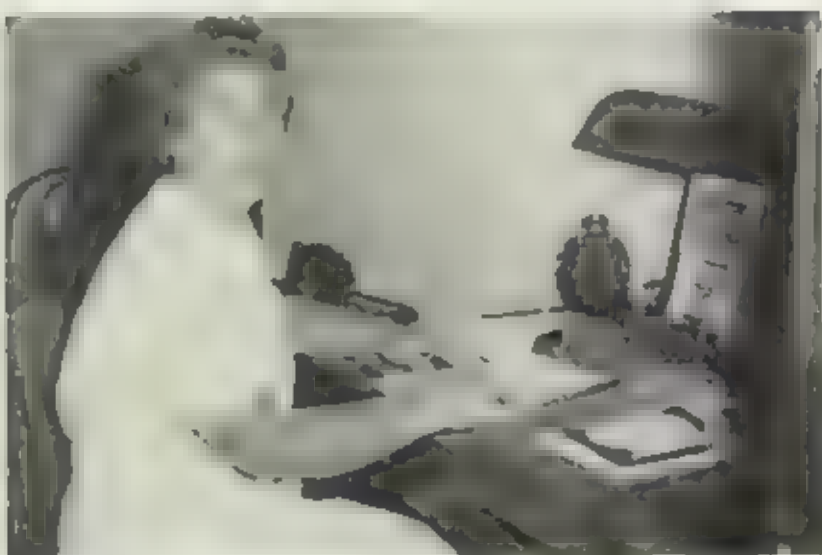

THE MICE.

"WE'RE POOR LITTLE MICE who have lost their way." This was the song which talented mice, Linda Ivins and Helen Flax sang in the mouse assembly

THEY ARE FRIENDLY TO ALL.

NO WONDER our Bulletin Board always looks its best—Charlene Nachman and Jimmy Raynor work hard to keep it up to date

HOW ARE YOUR aches and pains? Our school nurse, Mrs. Williams, is always ready and available to diagnose your troubles

THE COURTEOUS and efficient cafeteria staff, under the supervision of Mrs. Hughes always serves fine meals

HAVE YOU noticed that the doors do not squeak any more? The reason for this is that our capable custodian, Bill Martin, is always right on the job

TACKLE THE DIRT and clean up the school. This theme for Clean-up Week was carried out in the winning posters by Ann Scott, Pat Moss, and Jimmy Raynor

THEY HELP THEMSELVES

GABBY GARRETT, honor council chairman, and Mr. Plummer, honor council sponsor, get together to discuss their next case.

OUR DAILY DECORATED bulletin board proudly displays the sign of the Community Chest Week—giant Red Feathers.

CAIRMAN OF THE CLEAN-UP committee, Harry Simpson, begins Clean-Up Week by mopping the floor

"OPEN YOUR HEART and Fill the Treasure Chest" was the theme of our successful March of Dimes Campaign

AND THE

FRIENDLY TYPHOON "Smiling Sam" Goff, cautions Clifford King about being an unfriendly Typhoon

COMMUNITY

CEE—I'M OLD ENOUGH TO VOTE! In Newport News High School everyone takes an equal part in the annual elections for student body officers Registrars, Agnes Mae Dick, and Michael Frierman, give Tamsey Warren the O. K. signal to vote

DURING SPECIAL "WEEKS"

THE SENIOR Bulletin Board exhibits a long awaited dream—the Senior Class Pennant. Daralie Siegel did an excellent job this year as chairman of the Senior Bulletin Board Committee. It served as an informer of important senior activities. The seniors congratulated Daralie on the attractive and up-to-date Bulletin Board.

THE SENIORS' DISPLAY...

SENIOR CLASS SPONSOR, Miss Nancy Alexander hands out one of the first class rings to Shirey Simmons as Nancy Morris awaits her turn.

PROUD AND HAPPY, Kim Weaver shows her ring to admiring underclassmen Judy Blechman, Mary Ann Sherman, and Elaine Lowenstern.

THE NEW LOOK

LOOK AT WHAT WE'VE got — shining new lockers. As you can see by the crowded halls, they are in constant use

OUR PRIDE AND JOY the new modern third floor, is on added attraction to our school

EVEN THOUGH WE DID get new additions to our school, we did not forget our old friends, Barbara Ann Deal, and Eileen Rash

N. N. H. S.' SWEETHEARTS

WE EXPLORED EVERY

HUNGRY STUDENTS wait in line for their turn at lunch time. The cafeteria serves nutritious and well-balanced meals at very reasonable prices. The school will get a new cafeteria next year. The efficiency of the cafeteria has always been increased by the students' cooperation

ALL DRESSED UP to "Scalp the Crabbers" are the varsity cheerleaders: Marilyn Aronow, Sue Hart, Head, Donna Keranen, Sherry Crosly, Barbara Underwood, Bertsie Webb, Darlene Mitchell, Doris Harpine, and Kiddy Dickens

LOOK AT OUR "hefty" football players as they walk all over the Hampton Crabbers

EXAM TIME is here again. Hopeful students, with fingers crossed, plunge into their work

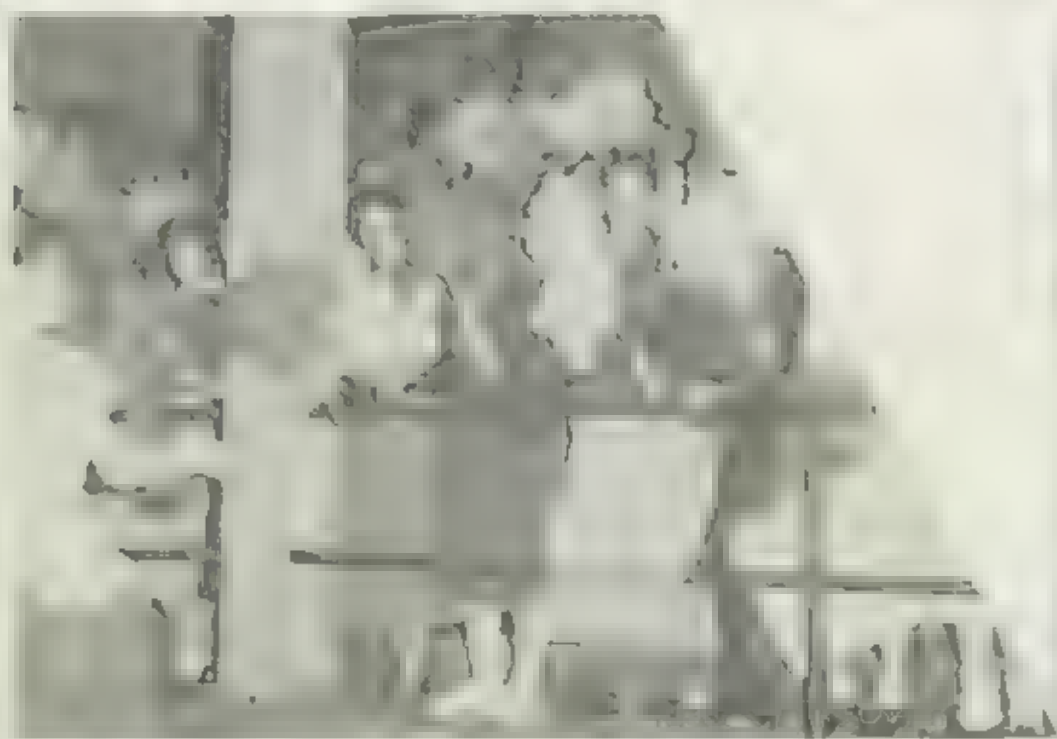

SUE HART'S pony tail, Bev Zegopoulos' duck tail, and Ronnie Stallings' "cat hat" are a few of the circulating fads around school this year

DON'T THEY SEEM to be enjoying themselves? Sure they are! They are at one of the many dances held after the football or basketball games.

NOOK AND CORNER

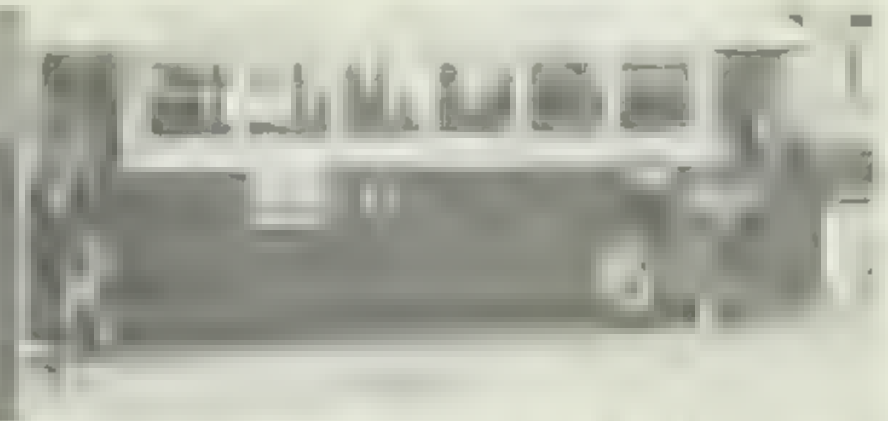

DID YOU NOTICE the wonderful school spirit displayed at the football games? That was the Happy Hundred organized by Betty Lackey and Mr. Huller.

THEY ARE A FAMILIAR sight between classes. This four minute intermission gives the students time for a "gossip" session.

AT THE ANNUAL FOOTBALL awards assembly the following were awarded and elected: Left to Right: Marvin Mitchem—Best Back; Jimmy McShane—Best lineman; and Tr. Captain for '54 Wayne Harpe—Tr. Captain for '54 Richard Hart—Tr. Captain for '54 and Mac Langston—Julian Gordon trophy.

OFF TO ANOTHER day there is 2nd period. The English Winner and Play Teammen as they leave the school bus there is time to New York News High School from all parts of the peninsula. School begins at 8:45 and is dismissed at 3:35.

A PEEK INTO THE MICE

EIGHTH GRADE MATH is generally a review of grammar school arithmetic. Mr. Huller prepares his students to take the more difficult courses in math, which the high school offers. These students learn to solve practical problems that will help them in everyday life.

ALL STUDENTS who take the music course offered in the eighth and ninth grades, learn group singing, and acquire an appreciation for classical and popular music and their composers. Many music students continue their study in this field by taking chorus and band in following years. Here, Miss Sherman gives an explanation of a record which Millie Futrell is about to play. Looking on are Loftin Quinn and Virginia Dale.

A VOCATIONAL COURSE open to eighth graders is woodcraft. This course enables students to get a general knowledge of wood and construction. Gerald Anderson, Wayne Knight, and Johnny Kirby listen as Mr. Sommerville explains different methods of cutting wood.

ROOMS REVEALED THIS

THE UNFORGETTABLE Tom Sawyer lives again in the vivid imaginations of Frances Lawson, Bill Timberlake and Carl H. Neway, to whom Miss Wash has just introduced Mark Twain in her eighth grade English class. Eighth graders begin their literature study, which will broaden in the succeeding high school years. In the eighth grade, students begin to read more varied types of books. Grammar also constitutes a large part of their study.

LIBRARY GUIDANCE is a course taken by eighth grades for one week when they first enter high school. This course familiarizes them with the library and teaches them how to use it correctly and efficiently. This is only part of the orientation program offered to the "mice" when they arrive in our high school.

THE CURRICULUM of N N H S includes more than just reading, writing and arithmetic. William Burbage and R. D. Williams enjoy the privileges of such specialized vocational subjects as drafting under the careful direction of Mr. Lyeth.

"FROSH" BEGIN TO

"TRES BON MONSIEUR!" exclaims Miss Williams as she returns a test paper back to a hopeful student in his first year French class. Not only does Miss Williams teach the French language, but she familiarizes her pupils with French customs and other aspects of "gai paris." The class is conducted in French, and each student has his own French name. This strengthens one's ability to converse in French.

MISS FREE explains the activities carried on in the old Roman Colosseum, going back to the days of the colorful chariot races. Listening attentively are Richard Von Doenhoff, Ralph English, Phillip Collins, and Jimmy Shires, who are taking their first year course.

NINTH GRADERS enjoy Drama I in which they learn the fundamentals of play casting, directing and production. E. Roberts, S. Settles, C. Hardison, E. White, and T. LaPides rehearse the above principals.

PREPARING for higher mathematics, Miss Holiday's Algebra I class pursues the value of X in numerous equations. Also included in this course are practical problems concerning everyday situations requiring math.

HAVE MORE VARIED SUBJECTS

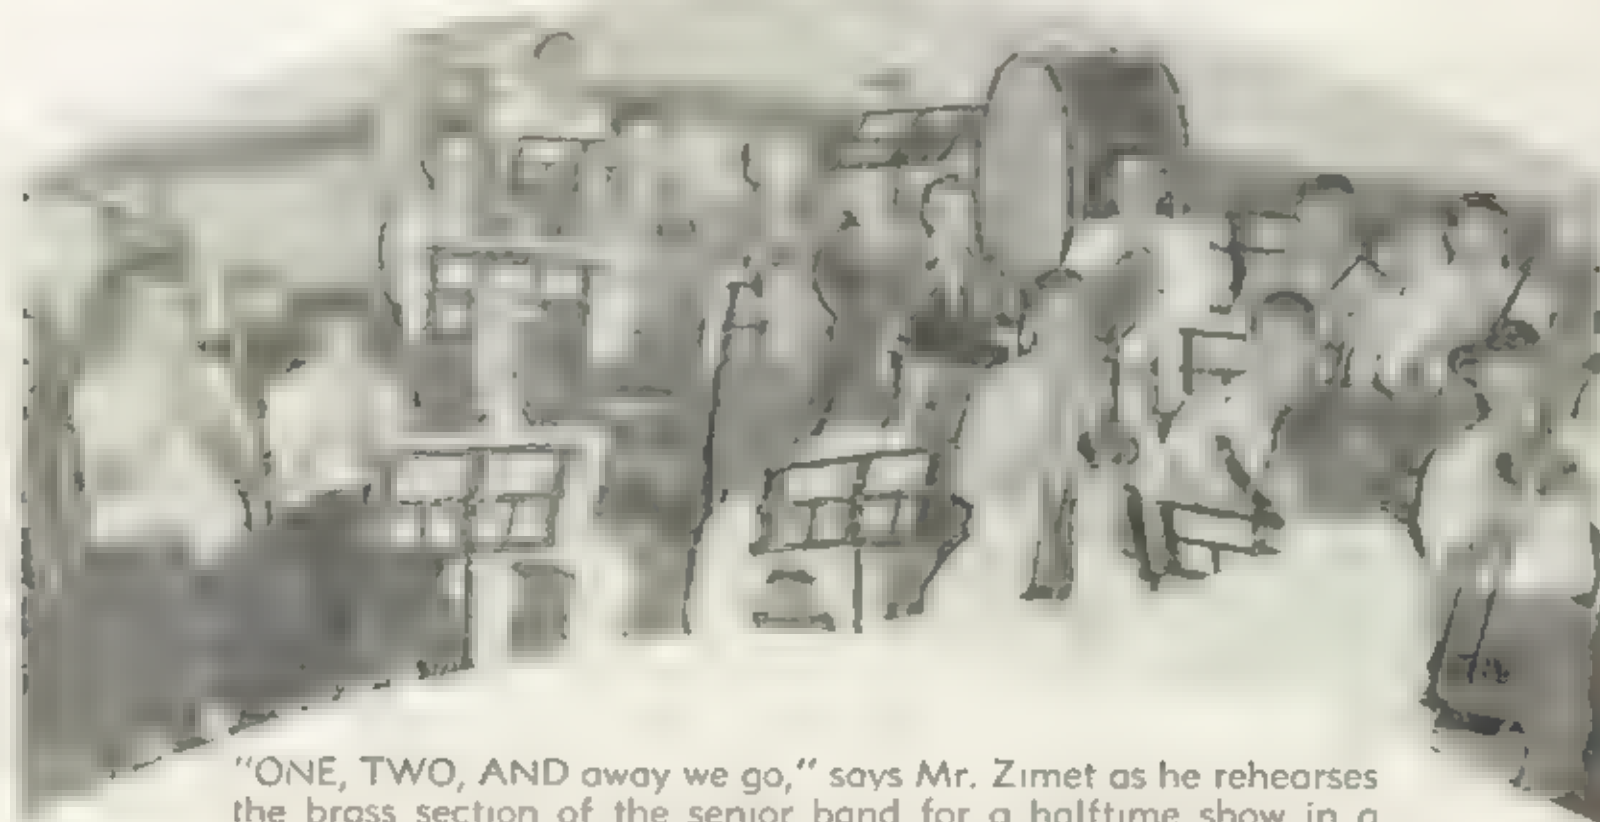

FUTURE HOMEMAKERS? Cooking is an important subject for girls who plan to be homemakers. The course includes not only preparing foods but planning a balanced diet and setting a proper table.

CAROLYN SIMPSON, Barbara Beck, and Sandra Turner are busily working in their sewing class under the watchful eye of Mrs. Orr. Girls in all grades are eligible for sewing and home management courses.

"SOPHS" SIGH AS THEY

"ONE, TWO, AND away we go," says Mr. Zimet as he rehearses the brass section of the senior band for a halftime show in a coming football game. Having received earlier training in the junior band, the students from the tenth, eleventh, and twelfth grades are eligible for the senior band

MR. COLE LENDS a careful ear while Shirley Willis explains important grammar forms and pronunciation rules to her Spanish class. These rules are necessary for a thorough knowledge of Spanish. Mr. Cole's Spanish course enables students to become better acquainted with the South American people and Spanish customs

PAT WILMOUTH, Adrienne Nettles, and Lynda Stein study the rich heritage of our country. United States history is a required course for graduation. It is taken in the sophomore or junior year and is a favorite course of all students. Maps, projects, and book reports aid in making the course more interesting. Current events, which will make future history are also studied

SETTING TYPE perhaps for the school newspaper are V. Medlin, O. Marshall, C. Jefferson, N. Joyner, E. Carter, B. Lewis, B. Brown, J. Parker, R. Perry, and P. Scott, who learns the basic principles of printing.

WILMA BENTON points to a model of a seed as she explains the steps of germination to her biology class. Joan Crawford and Gordon Stone are very interested as they study the thing preserved in formaldehyde.

MR. MARENCHIN encourages this group of musical students to learn the importance of group harmony and to acquire a better understanding of our contemporary composers.

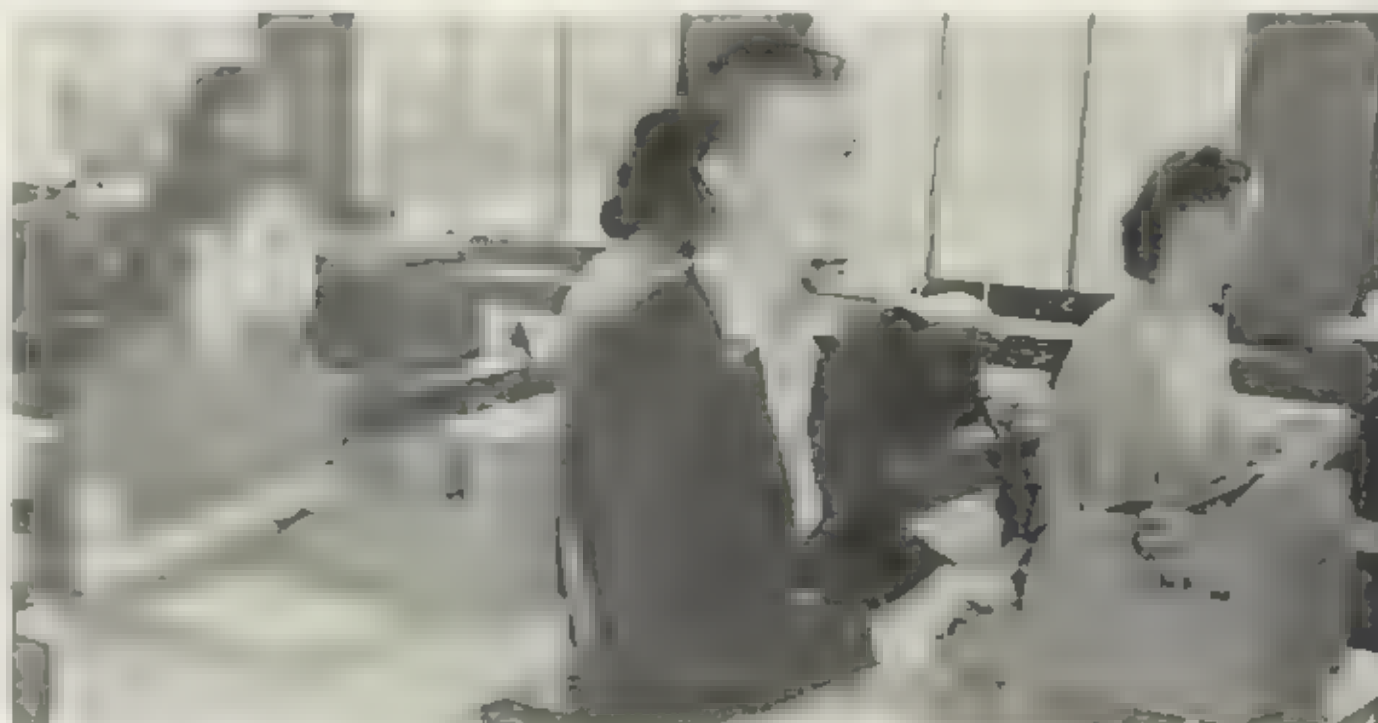

FINISH TWO YEAR COURSES

JUNIORS WORK HARD SO THAT

"TRIANGLE ABC is congruent to triangle DEF because two sides and the included angle of each are equal, respectively," explains Anna Marie Thompson to Jacque Hueter in their plane geometry class. These are primary steps in geometric construction which later lead to more advanced problems.

A BASIC KNOWLEDGE of typing as well as a stable rate can be obtained by these typing I students. P. Ripley, K. Puckett, A. Thompson, M. Catling, C. Johnson, and S. Hogge learn the importance of tabulating and letter-writing which goes to make good secretaries.

IN SHORTHAND CLASSES Mr. Willey becomes a dictator. Kiddy Dickens, Betty Castelow, Barbara Fowler, Katie Lowrey, and Lenora Queensberry spend a busy hour each day learning the skill of quickly recording his speeches.

THEY MAY SOON BE

THESE JOURNALISM students are busily taking notes from their instructor, Mrs. Donohoe. Journalism students use their creative ability in writing and apply it to newspaper production. Mrs. Donohoe, the adviser for the "Beacon," must have full cooperation from her associate "editors"

MRS. SCRUGGS' American Literature class is learning to appreciate the finer works as they begin the study of Longfellow, whose statue can be seen in the background. Enjoying their work are D. Markham, L. Williford, M. Aronow, F. Nachman, D. Buchanan, and I. Nachman

THE INTRICACIES of our government are discussed and explained to future voters. Here Charlene Nachman expresses her opinion on a current issue with Ann Mater, Betty Thomas, Mary Field, and Katy Morris

SENIORS ... EACH CLASS

TOMMY KEESEE assists Ann Carney in locating Napoleon's encampment as Betty Hamilton and Ruby Harlow confirm his directions. Modern European history is relived in the classroom under the supervision of Mrs. Hurt

THESE POSSIBLE future scientists are conscientiously working on a lab experiment in Mrs. Barham's chemistry class. Courses in both chemistry and physics are open only to juniors and seniors. Lab partners Frona Conn and Gene Wolfley work together, while Ivan Nachman and Lawrence Moss team up

THE SECOND YEAR of algebra is as far as most students go in mathematics. Here, in an algebra IV class, Mr. Levy offers some practical suggestions on the use of the slide rule to Marcia Block, while Ronnie Stallings applies his knowledge on paper

BRINGS THEM

NEARER

"HOW DOES my voice sound?" asks Merle White as Tommy Keesee records her voice on the tape-recording machine. Harold Stanbrook standing; Shirley Simmons, Marlene Weymouth, Larry Mustain, and Ronald Barlow help compile the material for the school program, "Typhoon Time." It is presented every Saturday by Miss Helmer's radio-speech classes.

SENIOR MATH is an excellent course for upperclassmen who benefit by this review of sometimes forgotten mathematics. Here Jerry Bunting and Shirley Simmons recall some fractional equations which are applied to mechanical devices.

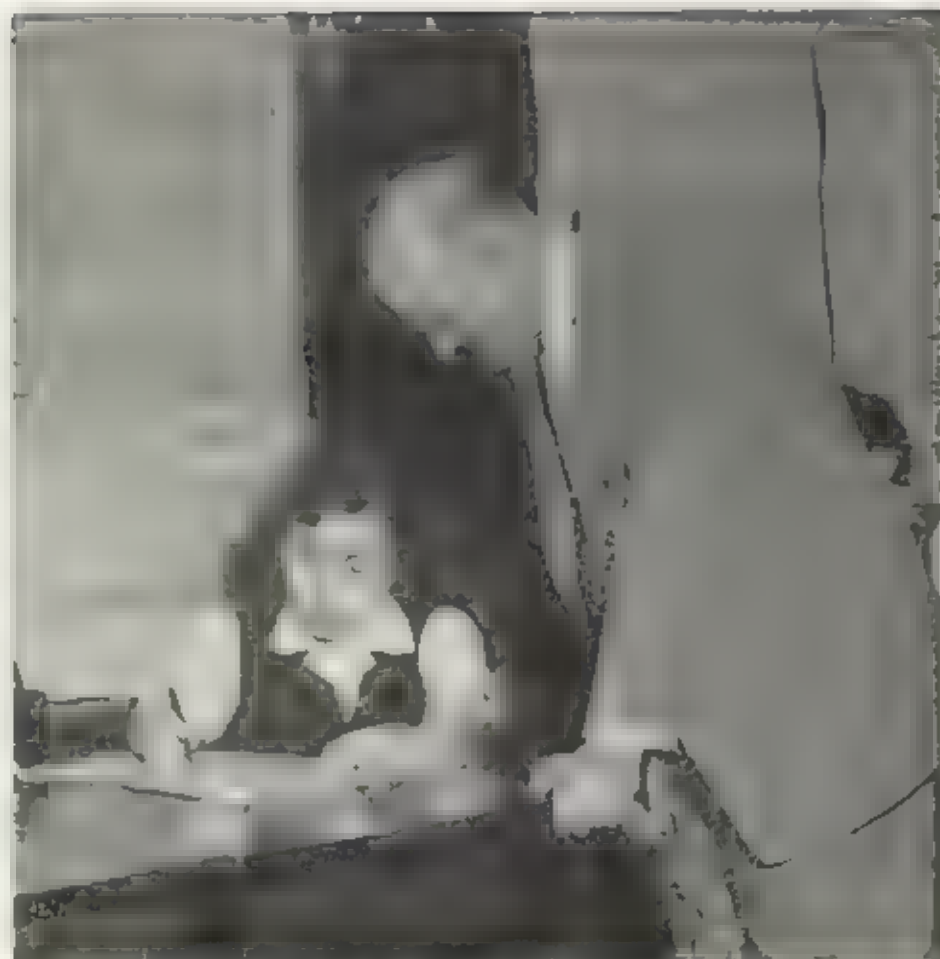

BEVERLY AND HELEN AVANT strive for more life-like detail in their pictures; a goal which they can obtain by following the suggestions from their well-trained art teacher, Mr. Cryer. In classes such as these, our students satisfy their desire for creative expression.

TO GRADUATION

STUDENT TEACHER, Dan Phillips, gives an explanation in logarithms to Mr. Levy's trigonometry class. Jeryl Diamant and Polly English are benefitted by Dan's thorough explanation. Solid geometry and trig are the highest degree of mathematics taught in our school. Solid is taken in the fall semester; trig, in the spring

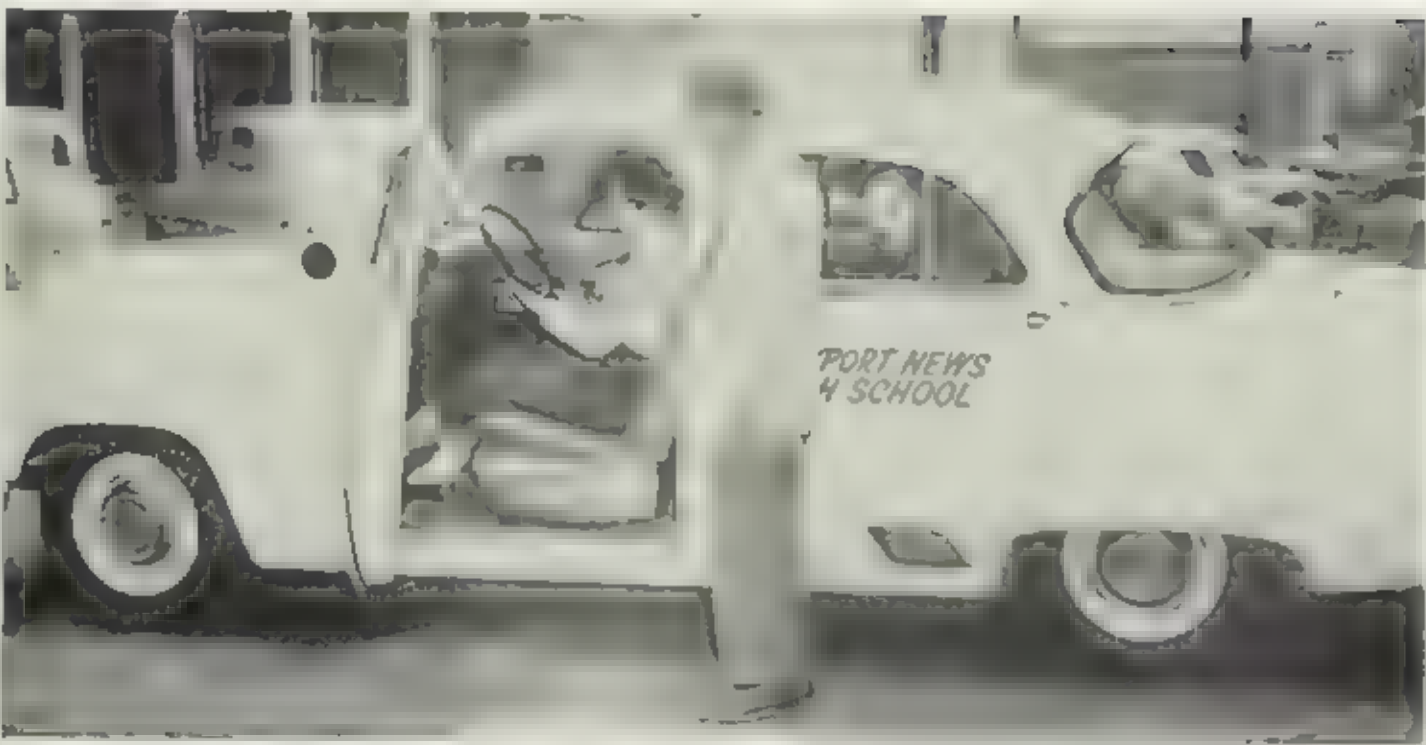

BOOKKEEPING is the third course provided by the high school. Most students that take bookkeeping also take either typing or shorthand to accompany it. Here, Mr. Leonard is helping Nancy Hall to add a column of figures

OUR LAST GLIMPSE OF

IN ORDER to create a vacuum, Sonny Spencer and Bobby Camper must extract all the oxygen from this large bottle. Physics instructor, Mr. Mays, supervises this experiment while B Campbell, B Stein, B. Fowler, C. Roberts, and N Parrish look on with interest

THE FUTURE of our highways depends upon the expert drivers' training course which our students receive under the school's supervision. Seniors have first choice in this course; then the juniors may take it according to their age. Coach Robinson gives a few pointers to Carolyn Dale, and Melvin Miller listens carefully.

STUDIES FOR A WHILE

THE FUNDAMENTALS of First Aid are taught in the boys' hygiene classes. Coach Range demonstrates artificial respiration on Ronnie Farrar while Harry Covert, Eddie Bond, and Herbert Clifton observe his technique.

ALSO FIRST AID is studied by the girls' hygiene classes. Barbara Robertson has a cut on her arm. Quickly, Barbara Fowler assists Miss Alexander by applying a cravat bandage, to hold the compress in place.

WE CHEERED THESE BOYS

PIGSKIN REVIEW

THE GOLDEN TYPHOON, operating for the first time in school history under the direction and guidance of Co Coaches J. C. 'Cowboy' Range and Jack Powers, provided us with what many say was the most determined, spirited, and fighting team ever to play in Saunders' Stadium.

Led by Co Captains Mac Langston and B. Floyd, the small and inexperienced Typhoons dropped their first two encounters of the season against the heavier and experienced Greenbrier Military Academy, and Jefferson Senior at Roanoke. Profiting by the defeats, the Gold and Blue bounced by to trip high y favored E. C. Glass of Lynchburg—(13-0).

The following week the Typhoon, while holding the Commodores on even terms for over half the game, developed "fumbleitis" and were dealt their third loss of the season. Again it was Quarterback Mac Langston, with the help of a vastly improved forward wall, who mixed up passes and ran such tricky plays, that the Presidents of Woodrow Wilson were never able to stop. After this convincing upset, former Typhoon coach, Pete Sachan, proclaimed Langston as the finest quarterback in the State.

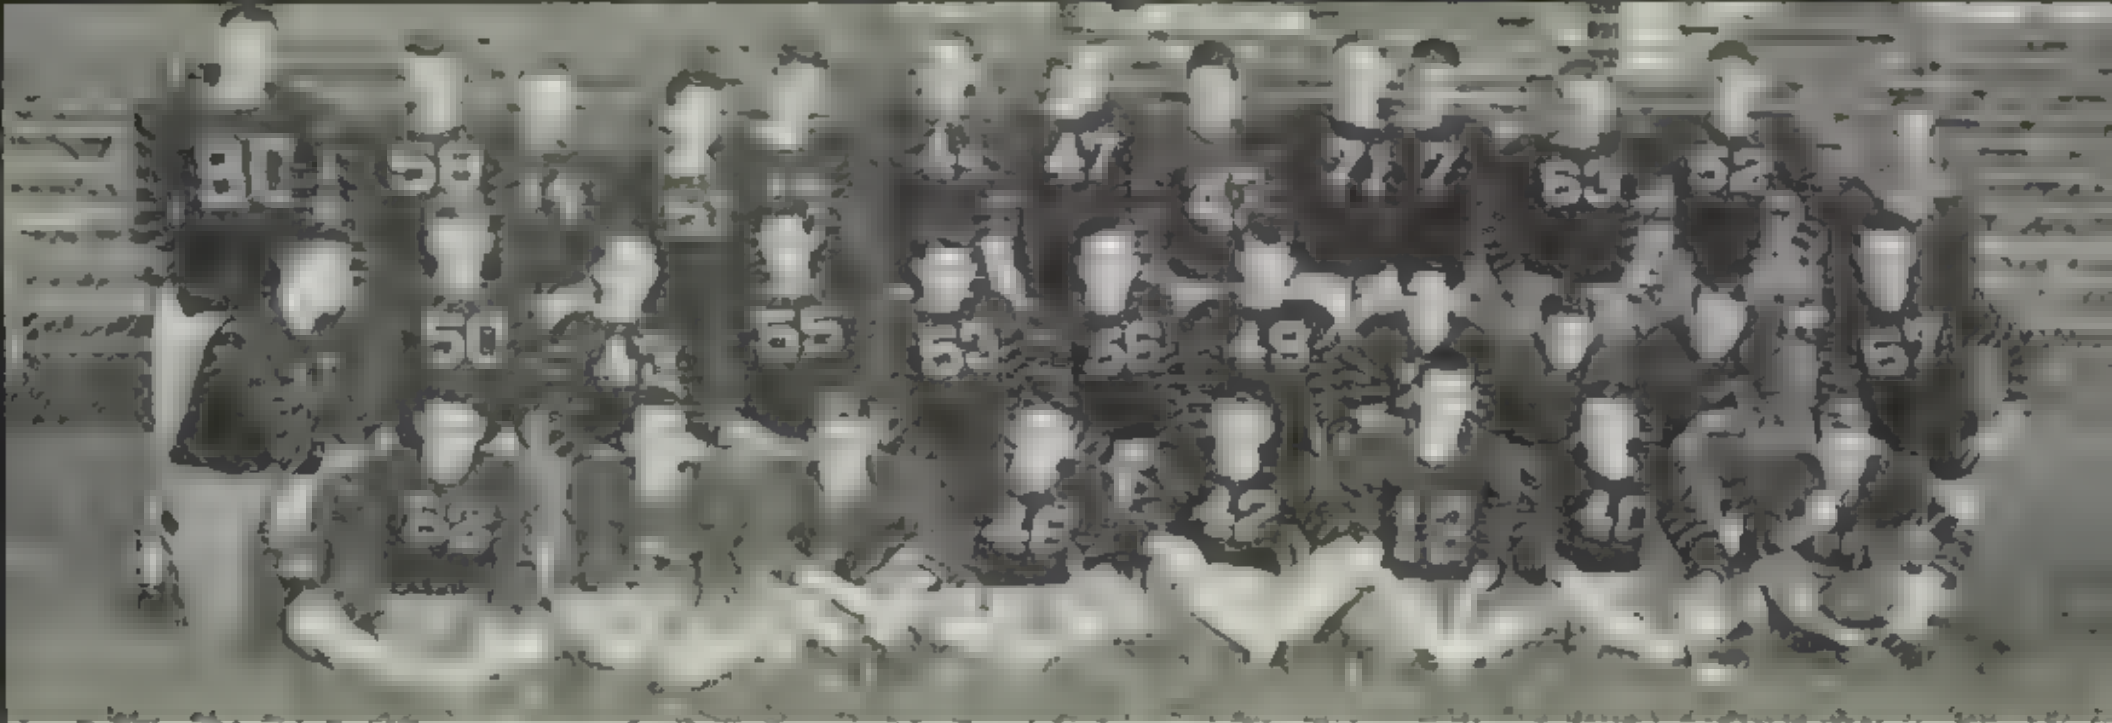

Warwick with probably the biggest team in Group I, took the Gold and Blue the following week in a convincing fashion, (20-7). Again it was fight and determination that accounted for the Typhoon's throttling of Norview (28 to 6).

After the Norview victory, the Typhoon bowed out in two thrillers. Losing at home 13-0, the Blue Comets of Cranby with more reserves bounced back quickly to thrash the Typhoon 19-13. Craddock, like Cranby scored within less than two minutes to decision the Typhoon. Led by Marvin Mitchell, Wayne Sharpe, Jimmy Axley and B. Floyd, the Typhoon battled the high riding Crabbers in a spine tingling brawl, only to bow out in the last quarter 21-7.

Marvin Mitchell and Jimmy McShane received the Peninsula Sports Club awards; Mac Langston received the Julian Gordon Trophy to round out a successful season.

FIFTY-THREE, FIFTY-FOUR HIGHLIGHTS

THE COLD AND BLUE Typhoon cagers started off their season with new coach, Elmo Stephenson at the helm, and Captain Cecil Wright leading the team. Although the squad had only one regular back, they fought their way to a highly successful season.

They won a bid to the state tournament in Arlington. However, they were beaten, 63-50, in the first round by Lynchburg, the defending state champions.

When the basketball season came to a close, honors went to forward, Glen Nelson, who received the Penn Williams trophy for the best defensive player. Cecil Wright set a new individual scoring record of 40 points in one game, received the Agathon Club trophy for the most outstanding player, and was named to the All-State Group I basketball team.

COACHES LOU PLUMMER and Julie Conn talk over the track possibilities with Captain Clarence Roberts

CINDER TRAIL

THE 1953-54 TRACK TEAM under the expert coaching of Lou Plummer and Julius Conn had a very successful season. The coaches were faced with a task of molding inexperienced but winning boys into an inter track team. The loss of such boys as Bobby Sterling, Taylor Cude, Elwood Warren, Tommy Weymouth, Gerald Jenkins, and Ray Sawyer was hard to replace, but through the wise knowledge and ability of the coaches, they came up with boys like Clarence Roberts, Jimmy Starboard, Marvin Mitchell, Jim McMane, Alvin Mizele, Jim Axley, Joe Parker, Phil Clark, and Buddy Stein to mention a few. The track team defeated Cranby in their opening meet by a margin of one point which was decided by the crack relay team. The Typhoon then went on to win other dual meets with Hampton, Maury, and Warwick. They took fourth place in the Tidewater meet and improved their position by taking second place in the Eastern District Meet. The track team also entered the Virginia Plot Relays. During the course of these meets, Captain Clarence Roberts broke all existing Virginia high school records for the pole vault as he made a jump of 12 ft. 10 in. in the Tidewater Meet. Jimmy Starboard also set a new NNHS record in the low hurdles with a time of 20.2. Through the efforts of Clarence Roberts and Jimmy Starboard and their fellow team mates, the NNHS track team proved themselves champions by going undefeated in all dual meets for the 19th time in 20 years. Only once in 20 years has a NNHS track team been defeated in a dual meet. The Gold and Blue then clads were preparing for the state meet as we wrote their big story and all the track experts were predicting that the Typhoon tracksters would be in top contention for the state title even though every other competing team had more experienced boys than the Typhoons. The track experts knew that through the wise coaching of Plummer and Conn, the hard working boys and 'never say die' spirit of the NNHS track team, the Typhoon would have to be the team to defeat for the state championship.

DIAMOND REVIEW

AS IN FOOTBALL, because of graduation, the baseball team was hampered and had few experienced players. Losing their first two conference games, the determined Typhoon stuck to the saying, "The harder you fall, the higher you bounce, if you are made of the right material." They struck back to win 8 out of their next 12 games and thus go on to another successful team.

GLANCING from left to right, we see the core of another fine team, Coach Pete Robinson, Co-Captains Grady Webb and Leroy Whiteman, and Coach Jack Powers

CECIL WRIGHT jumps high into the air, trying to nab a high one

BASEBALL is a comparatively new sport at NNHS nevertheless, it is a popular and enjoyable one. Through the coaching and inspiration of Mr. Powers and Mr. Robinson, many boys have had a chance to participate in and enjoy athletics who would not have gained this experience if baseball were not played at NNHS

A FIRST INNING drag bunt by Captain Grady Webb failed to start a Typhoon rally, although it went down into the books as a hit

In Memoriam

At this time we should like to pay tribute to Ross Futrell, who was killed in an automobile accident last July. He would have been a junior this year. Ross was a drummer in the Senior Band, and he also was a member of the Latin Club. He was well-liked by his fellow students and by his teachers and is sincerely missed by all. He was a member of the Orcutt Avenue Baptist Church and burial was in Greenlawn cemetery.

AFTER A STRENUOUS dance Richard Hart, Clifford King, Wally Nesbitt, Bill Edwards and Richard Barbour enjoy some refreshments served by Margaret Shreeves and Nan Parfield at the the Junior Jump.

THE BIG FOUR of the Junior Class are the officers: June Allen, Barbara Underwood, Jimmy Starboard, and Jimmy Horton.

WAVING THEIR HANDS to the music of the latest dance craze, the nokie, poke, are Pat Robbins, Gene Hedrick, Sherry Crossen, Lawrence Moss, Lois Wilford, and Phil Wheeler.

STANDING ON the traditional soap box, Jimmy Starboard promises shorter hours and no homework if he is selected president of the student body.

WISHING HIS successor the best of luck Kent Pickett, Senior president, hands the traditional cup and gavel to Jimmy Starboard, Junior vice-president.

THE STUDENTS OF NNHS take great pride in their journalism publications. Of all these, perhaps the publication of the Anchor is the most difficult because it is a long-range project. Members of the Anchor must work continuously from September until March. The Anchor, a tradition here, has been printed since 1896, and serves as an informative recorder of school functions. Anchor work is divided into many phases, some of which are: drawing a dummy, taking pictures, reducing pictures, writing copy, and proofreading.

IS THEIR CRY

THE BEACON, "The seeing eye of Newport High," is the high school's bi-monthly newspaper. It has been published since 1896 and is put out completely by the students. Students are eligible to work on the Beacon after taking one semester of journalism. Staff positions are re-assigned at the beginning of each semester.

The Beacon is a 4-page paper: the first page contains school news; the second page, features; the third page, club news; the fourth page sports.

The Beacon publishes "extra" editions during the year along with their regular editions.

FALL BEACON STAFF: First row left to right: Francine Novak, Ginger Davidson, Delores Markham, Nancy Harrison, Margaret Shreeves. LEFT row bottom to top: Elaine Stein, Shirley Garris, Jimmy Bradley. WE'RE ON THE AIR

TYPHOON TIME, NNHS's own radio program, is put on by the radio speech classes under the direction of Miss Helmer. Typhoon Time, which used to be known as Beacon-on-the-Air, is a 15-minute program heard every Saturday morning over radio station WGH. It presents interesting entertainment such as high school talent and interviews

LAUNCHINGS DIFFERS from other journalistic publications in that it is not completely self-supporting and it is sponsored solely by the English Department. The purpose of Launchings is to encourage our students in the field of writing and to give recognition to those who have this ability. Each year, the magazine contains outstanding essays, short stories, book reviews, and poems.

LAUNCHINGS STAFF: Seated left to right: Porter Phillips, Michael Garrick, Myra Jones, Jeryl Diamant, Charlene Nachman, Myrtle Terry, Jeannette Hornsby, Adrienne Nettles, Margaret Johnson, Jean Williams. STANDING left to right: Dewey Faulkner, Sandra Torn, Carolyn Todd, Cammie Dick, Betty Dail, sponsor Mrs. Burbank, Ronald Creech, Leland Edmunds, Fred Thomas, Kitty Hawley, Jimmy Barker.

MEMBERSHIP IN

QUILL AND SCROLL is a scholastic journalism society, composed of students who have excelled in the field of high school journalism. At NNHS, a student's ability to meet these requirements may be based upon his work on either the Anchor, the Beacon, or Launchings. Students may apply for membership at three times during the school year in a letter of application, in which they state their eligibilities.

The NNHS chapter of Quill and Scroll is one of the oldest of all high school chapters as it was organized only three years after the national society was begun.

New members not shown: Barbara Drucker, Jeryl Diamant, Ann Adams, Vianne Bryant, Virginia Davidson, Daralie Siegel, Marsha Andrews, Donald Morgan.

THE NATIONAL HONOR SOCIETY is an honorary organization to which students who have excelled in leadership, scholarship, and character may belong. To be accepted as a member of this society is one of the greatest honors a student may receive during his high school years. In order to apply for membership, one must be nominated by a member of the faculty. The National Honor Society encourages good citizenship and service to the school.

The NNHS chapter is the best one in the state.

THE KEY CLUB, organized by the Kiwanis Club in 1949, is composed of high school boys who excel in citizenship, leadership and who rank scholastically in the upper third of their class. Boys who are able to meet the above qualifications are accepted as members in their junior and senior years.

The Key Club, though a comparatively young organization, is perhaps the most active of all the honorary societies because of its civic work.

THE LATIN CLUB is perhaps the oldest of the language clubs and this year it has on roll about 50 members. The requirement for membership is that the student shall have passed Latin I with an A or a B. New members are usually initiated at a mock Roman banquet. The official name of our Latin Club is the SPQR Latin Club, named after Caesar's favorite legion. The purpose of the club is "to provide social contacts for its members and to provide an opportunity to learn more about Roman background."

THE FRENCH CLUB, better known to its members as Le Cercle Francais, has become an active organization under the direction of Miss Margaret Williams. Any student now taking French, or any former student, is eligible for membership; and Le Cercle Francais boasts of 100 members. The club has six big meetings a year, plus frequent classroom meetings and committee work.

AND ENTERTAINING

THE SPANISH CLUB, under the sponsorship of Mr Cole, is composed of approximately 50 members and is open to anyone taking Spanish. The club has been organized since 1920 under various teachers. The club holds three big meetings a year and this year it sponsored a school dance — "El Burro Hop." The club also participated in a joint program with the Latin and French Clubs. They had a part in the United Nations Day exhibit at the YMCA. Slides of Mexico were shown at club meetings last fall. Officers of the club were on Typhoon Time on March 4.

SPANISH CLUB EXECUTIVE BOARD: Left to right: Sponsor Mr. Cole, Mary Glynn, Nancy Squires, Gobby Garrett

THE SCIENCE CLUB, under the sponsorship of Miss Floyd, is indeed an active club. To qualify for membership in the Science Club, a student must have made superior grades in the required science courses and must show a sincere interest in the club. In May, the club will again participate in the Virginia Academy of Science meeting at which time its members display their projects.

(LEFT) THE SENIOR CHEERLEADERS' vivacious smiles and wonderful school spirit will always be noticed by the students of NNHS. The cheerleaders are elected by the student body every year and they cheer at all varsity games and help to build up general school spirit by their carefully-planned and amusing pep assemblies.

(BELOW) Let's not forget the Junior Cheerleaders, for they, too, play a large part in keeping up school and team spirit. They cheer the "Breezes" at both football and basketball games, and also participate in pep assemblies.

ABOVE: A COLORFUL feature is the Senior Flagtwirlers who add interest and entertainment to football games and pep assemblies with their snappy routines and skits. Flagwirlers practice during the year and go through a series of eliminations in the spring. The new flagtwirlers are chosen by the band director and present flagtwirlers. Being a flagtwirler involves many hours of hard work and practice. Aside from football games and pep assemblies, flagtwirlers march in parades with the band and appear in band concerts.

(RIGHT) THE JUNIOR FLAGTWIRLERS will catch your eye when they perform. These girls will probably be next year's Senior Flagtwirlers and well deserving they will be! Junior flagtwirlers do not appear at all JV football games but they are in pep assemblies and other assemblies. They also have to practice many hours to perfect their routines.

DRUM MAJOR, Carleton Spivey, leads Band Sweetheart, Marjorie Karuse, onto the field for the traditional ceremony. The presentation of the Band Sweetheart took place at the Cradock football game. The drum major has other duties beside leading the band at football games. He assists the band director in planning football half-time shows and in working out programs. The band sweetheart is elected each year by members of the Senior Band

THE HAPPY HUNDRED Pep Club as this group of enthusiastic fans is called, was newly organized this fall from a suggestion by the students. Its purpose is to add uniformity and spirit to game cheers, and marked improvement in cheering and behavior at once established it as a success. This group was organized by Betty Lackey and Mr. Huller was sponsor. Members were elected from all grades by their respective classes. One of the innovations the Happy Hundred introduced was card tricks such as are seen at football games at many colleges

THESE MEMBERS of the Senior Chorus have been chosen for the All-State Chorus group. This group consists of students from high schools all over the state who have been picked for their great talent. THE FUTURE TEACHERS OF AMERICA was organized this year for the purpose of interesting students in the teaching profession and in giving those students instruction and information on teaching as a career. The members often visit the neighboring elementary schools to observe methods of teaching. As one of their projects, members of this club taught classes in high school for two or three days this year.

THE FUTURE HOMEMAKERS OF AMERICA is made up of girls who take, or who have taken, home economics, and who are interested in advanced sewing, cooking, and home management. This group not only trains girls to be better housewives, but prepares many of them for careers in homemaking. The club held their annual dance, the "FHA Snowball," in the cafeteria, before the Christmas vacation.

WHEELS

THE PERFORMANCES of these Seniors usually stay hidden until graduation. Then, however, the spotlight falls on them as they lead the class in graduation activities. They are Harry Simpson, Class Speaker; Jack Nelson, Music Committee Chairman; Vannie Bryant, Class Speaker; Clarence Roberts, Music Committee Member; Ralph Rabinowitz, Class Giftorian.

THEIR MAJESTIES

King Mac Langston and Queen He en Perados

WE WERE INTRODUCED TO THE

Seniors:

The difference between a great person and an average person is that the great person sets up objectives in life and achieves them, while the average person just lives on, consuming time, but never stopping to figure out exactly where he is going or what he wants

After objectives are set, three things are required to accomplish them: First, a knowledge of how to do the task at hand; secondly, a will to do; thirdly, the courage to surmount all objectives no matter how impossible it may seem to overcome them. Add to those a self-confidence, which you may achieve by saying over and over to yourself, "I can, I can, I can," and never let a semblance of "I can't" creep into your mind

So now, as you enter the world of opportunity, remember that almost anything is possible if you try hard enough. Be a GREAT person

Good Luck!
Nancy Alexander

CLASS SPONSORS

Class of June 1954

I congratulate you on having reached this important stage in your life. To many of you it is the first major accomplishment achieved by your own efforts. You have proved to yourself that you can; you need no fear of the future.

As you leave N.N.H.S., either to enter higher institutions of learning or to immediately become a part of your community, you will find that each tomorrow will bring new challenges. Face them with faith and courage. You will find that the teachings of your church, your home, and your school have fitted you for these emergencies. Have confidence in yourself — you have learned more than you now realize. Believe in your God — He will guide you aright, for from Him cometh all power. Be loyal to your country — obey its laws and keep it free. Be honest in all you do. Each of you has a part to play in the great scheme of things. Remember those to whose labors and unselfish service and sacrifice we owe so much. Their devotion to duty obligates each of us to the future. Let it never be said of you that a member of the class of 1954 failed in his duty.

Whatever be your lot in life you can make it the envy of others. Whatever task be yours you can put upon it a mark of dignity by giving to it the best that is in you. We are God's fellow workers. In the days to come may He grant you wisdom to choose the right, strength to uphold your choice, and character to make you beloved by your fellow man.

To each of the Graduates of the Class of 1954 my deepest appreciation. I assure you that I feel singularly honored to have been chosen your sponsor.

Sincerely,
Herman Levy

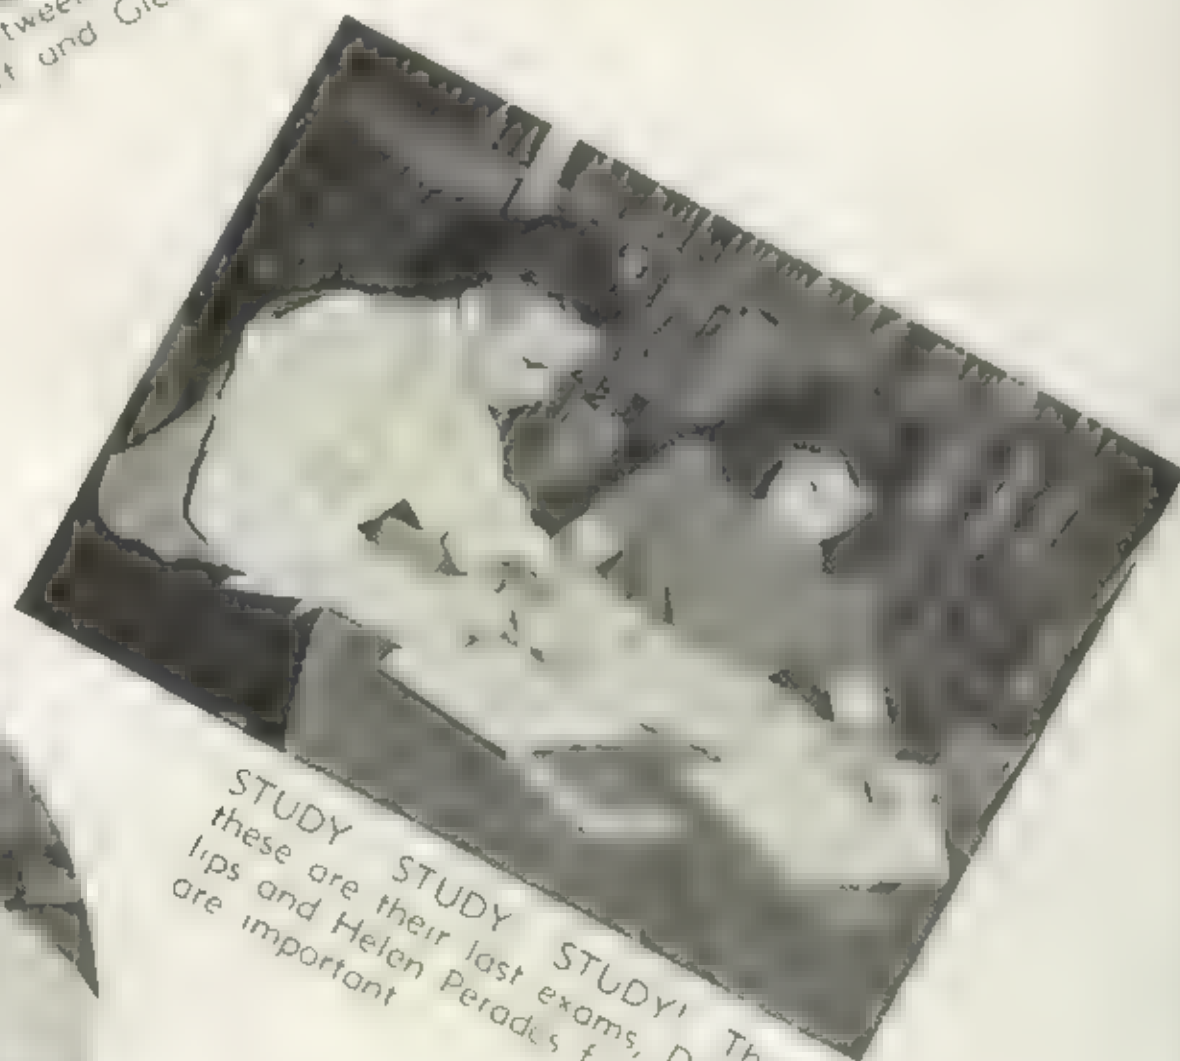

WITH THESE LAST NOTES, OUR

BIG STORY ENDS

"HE MUST be in here somewhere!" Daralie Siegel and Mary Alice Revere are two Seniors who work not only in their classrooms, but as members of the office staff

A LOT of discussion goes into the preparation for the big Prom date for Genis Bird Crowder and Berton Fowler

CONGRATULATIONS

We, the students of Newport News High School want to congratulate you, Miss Maguire and Mr. Hunter for your Big Story. Without your untiring efforts, we could never have produced a successful yearbook. We hope that you have benefited by this experience as we have. For years to come your Big Story will not be forgotten by students of Newport News High School. It is our sincere hope that future yearbook staffs will have the fortune of your valuable services and will benefit by your able advice. It has truly been enjoyable to work with such good sports as you. With heartfelt appreciation, we award you our deepest thanks.

Your pay starts from the first day at the telephone company — even while you're learning your new job!

That's one reason so many young girls choose a telephone job when they finish school. They don't need experience to get this good job — and they're paid while they learn a skill that'll always be useful.

Find out more about the variety of telephone jobs from your high school counselor — or come in and see us when you finish school.

More than fifty years have passed since the momentous step was taken which transferred a sprawling tidewater village into the dignified status of a city of the first class in the Commonwealth of Virginia.

Its past has been illustrious. But our justified pride in past accomplishments must not dim our eyes to the fact there is much left to do in the future.

A CREED FOR AMERICAN YOUTH

I resolve to let no time or opportunities slip unused by me; that in small things I will strive to do the best that I can in order that the big opportunities of the future will find me qualified. I realize that my future is an enlargement of the present. What I do in my high school years will make me stronger in character that I may help to make a stronger America.

Stupid -

I'm really enjoyed all the
beatings you've given each other in
I. period. You're really a
sweet guy and I think
you're real crazy! I want
only one more pencil of yours
to break & I'll be satisfied!!
Bang! I just socked you in
the back! Laugh! Laugh!

I sure hope we can go through
school together like we
have this year as good friends.

Remember -

Love ya -

Joey
